About this Course:

Dave has been conducting successful Golf Camps for over a quarter of a century at the beautiful Boundary Oak Golf Course here in Walnut Creek. Whether your child has never been on the course before or is an advanced junior golfer, this camp is the right place to develop the skills necessary to become a better golfer while having fun. Your child will receive professional instruction from the basics to the finer points of swing mechanics, short game, strategy, rules and more. All while learning essential life skills in a supportive environment. Golfer's will play on Boundary Oak's championship golf course three of the four days and the student to teacher ratio is 4 to 1. All golfer's must bring their own golf equipment. No exceptions. Golfers may bring a lunch or lunches may be purchased at our grill.
